## MEMBERSHIP CATEGORIES (Select one only)

*Please note - all fees quoted are in New Zealand dollars and are GST exclusive.*

**Individual** **\$145.00**

For those individuals who have an involvement or interest in water, wastes and the environment.

**Corporate** **\$600.00**

For those organisations trading or practising in water, wastes or environmental areas. One representative only is entitled to receive membership benefits and voting rights.

**Corporate Additional** **\$110.00**

This provides for staff of a Corporate Member to receive the Journal and have all the rights of an Individual Member. This discounted membership fee is invoiced to and paid by the Corporate Member to encourage more staff from the same organisation to be involved in Water New Zealand activities.

**Student** **\$70.00**

For individuals enrolled at least half time in a technical institution or university. A photocopy of current student ID is required.

**Overseas Member** **\$50.00**

**Note for Overseas Members: Overseas Members are charged a fee of \$50.00 to cover postage.**

Current practice is to publish new members' names in the Water New Zealand Journal. If you would prefer not to have your name published in this manner, please tick this box.

### Notes for all Membership Categories:

1. GST is not applicable to overseas memberships.
2. Members will receive a membership renewal invoice each year on the anniversary of their joining date.
3. Membership subscriptions unpaid after 60 days will incur a \$25 late payment fee.

## Water New Zealand Special Interest Groups (SIGs)

Water New Zealand Special Interest Groups (SIGs) are technical divisions within the Association. They bring together members with the same interests to liaise, share and solve problems, promote their field of interest, distribute information, provide a forum for discussion, and undertake to develop and maintain industry standards and policies.

SIG members can engage in these activities with specialty conferences and workshops, by producing conference or workshop papers relating to their area of interest, SIG meetings, and electronic discussion groups.

Each group is lead by a management committee, assisted by staff at Water New Zealand. Membership of the groups is open to Water New Zealand members only.

**(Refer to Water New Zealand Website for a description of these Special Interest Groups)**

Please indicate if you wish to receive information about the activities of any of the following Special Interest Groups.

Backflow Prevention	Rivers Group	Modelling	Operations	Small Wastewater & Natural Systems	Small Water Systems	Stormwater	Trade Waste
