

Quick Steps to using the Water New Zealand Web Forum

Go to website: <http://forum.waternz.org.nz/>

Register your account

1. Click on the 'Register' icon at the top right of the page.
2. Read and accept the terms of registration.
3. Complete your Registration Information Details

Upon registration to the forum, you will be asked to enter the answer to the following question:

Q: What does the 'z' stand for in Water New Zealand?

A: **zealand** (Please note: Your answer must be in lower case letters)

4. Fill in your 'Profile' and 'Preferences' details, or leave them as is.
Please note: although you are not required to fill in profile details, any information such as occupation or interests is useful and appreciated as it enables us to distinguish spam from legitimate users.
5. Click Submit.
6. You will be sent an email to verify your registration. Click the link from this email and your registration will be complete.

Posting a topic or message:

1. Each time you want to contribute to the forum you will need to log on. Click the 'log on' icon at the top right of the page. Enter your log-in username and password (created when you registered your account).
2. Click on your forum of interest.
 - Reply to an existing topic by clicking on the topic and then the 'post reply' icon above or below the forum.
 - Or start a new topic by clicking the 'new topic' icon above or below the forum.
3. Write your subject and message in the boxes provided.
4. Preview your message and click 'submit' if you are satisfied. Your posting is complete!
