

WATER NEW ZEALAND'S MODELLING GROUP

Modelling Group
WATER NEW ZEALAND

Invites you to their

WELLINGTON REGIONAL MEETING

MONDAY 16 OCTOBER 2017

5:00 PM – 7:00 PM

AURECON OFFICES
LEVEL 8, SPARK BUILDING
42-52 WILLIS STREET
WELLINGTON

The Water New Zealand Modelling Group invites interested parties to attend an informal get-together. Come along for three informative presentations preceded by light refreshments, followed by discussions whilst meeting other professionals with common interests.

Presentations:

- Kaitia Wastewater Overflow Reduction Study – Jan Heiss (Morphum Environmental)
- Visualisation & Stakeholder Engagement – Adam Miratana (Aurecon)
- Hydrology – lumped hydraulics or actually useful? – Steven Cornelius (AWA Environmental)

Please arrive by 5:15 as the building will be locked then. For access after 5:15, please ring Nick Simpson on 021 244 1902.

RSVP: Please register online or inform Amy Aldrich of attendance (amy.aldrich@waternz.org.nz) by noon, Friday, 13 October.

A special thanks to AURECON for providing the venue and refreshments

* Please forward to anyone you know who may be interested. – all welcome.
