**Masks**

Built in filter with ear loops

Merino with replaceable filters.

Face shields only

Masks are neoprene single body around the back of head with adjustment by velcro. Do not currently manufacture a valved mask.

Washable merino and cotton masks with and without replaceable filters. Available with head straps or ear loops.

**Overalls**

Fabricell and Wellday

We can supply coveralls both Splash-Proof & Dust-Proof options (not NZ Made). Premium Water Resistant Coverall \$17.30+ gst. It's not an item that we currently produce but should you require a specific coverall or overall we'd be willing to develop a garment tailored to your needs. This also applies to the masks we can very easily develop or change to your requirements.

**Delivery Time**

2-3 days for delivery

3 weeks from order

Not specified

**Price**

MASKS Surgical mask 3-7 day use \$1.94 KN95 mask \$7.25
