Workshops

WEFTEC workshops enhance the attendees' educational experience. With sixteen workshops over two days, attendees are offered hands-on, interactive courses with subjects covering topics from wastewater microbiology to management development.

Trade Event Partnership Program (TEPP) at WEFTEC

WEFTEC 2022 is part of the Trade Event Partnership Program (TEPP), sponsored by the U.S. Department of Commerce, International Trade Administration. International Trade Specialists from the U.S. Department of Commerce are available in the Global Center to provide matchmaking assistance and export trade counseling to international attendees and U.S. exhibitors.

Contact the Commercial Service Specialist at your local United States Embassy or Consulate to discuss participation.

WEFTEC's Global Center Services Include:

- Multilanguage translation (as required)
- Presentations of global interest
- International reception
- Complimentary Wi-Fi

Sponsor for the 2022 Global Center is:
Wisconsin Economic Development Corporation (WEDC)

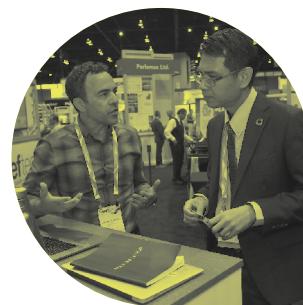

Registration Rates

Exhibition Only:

The exhibition floor is open to all WEFTEC trade delegates at no charge.

Full Conference and Expo:

Trade Delegates receive the special registration rate of \$605 USD. This includes access to all technical sessions and the exhibit floor. Workshops are at an extra cost.

WEFTEC 2022 is the only water show selected to be a part of the U.S. Commercial Service Trade Event Partnership Program (TEPP).
