

WATER NEW ZEALAND'S MODELLING SPECIAL INTEREST GROUP

Invites you to their

DUNEDIN REGIONAL MEETING

on Wednesday 3rd September 2014

5.30pm – light refreshments, 6.00pm - presentations

at

MWH

John Wickliffe House, 265-269 Princes Street, Dunedin

All modellers, engineers and environmental practitioners in the fields of stormwater, wastewater and water supply based in the wider Dunedin Region are invited to an informal get-together. Come along for three presentations preceded by light refreshments, followed by discussions whilst meeting other professionals with common interests.

Presentations:

Assessment of natural hazards for the Dunedin City District Plan review
Michael Goldsmith – ORC

Water of Leith Flood Protection Scheme update – Section between the St David Street Bridge and the Union Street Bridge
Jean-Luc Payan - ORC

Using Models to aid Flood Protection Rating Reviews
Vicki Koopal – Jeff Booth Consulting

RSVP: For catering purposes, please inform Amy Aldrich of attendance
(amy.aldrich@watarnz.org.nz) by Monday 1st September
