[Health.protection@waikatodhd.health.nz](mailto:Health.protection@waikatodhd.health.nz) [dwa@northlanddhd.org.nz](mailto:dwa@northlanddhd.org.nz)

**Who Should Attend?** Current users of Water Information New Zealand (WINZ) or personnel working with data/information associated with supply performance or compliance.

**What's in the presentation?** The presentation will provide an introduction to the features and operation of the new database; timetable for moving from the current WINZ system; and an optional hands-on tour of the database.

**What to bring:** The presentation is interactive and attendees are encouraged to register for a DWO sign-on by emailing your local PHU contact so that access can be ready and available on the day. Please bring a laptop (with a mobile internet connection if possible as WiFi will not be available at all venues). Browser preference is Microsoft Internet Explorer 11 or later, however the following should also be functional - Firefox 47.0., Google Chrome 51.0, Microsoft Internet Explorer 9 or 10.

**Presenters:** The session is delivered and facilitated by Scott Rostron (Ministry of Health); Jason Carpenter (National Co-ordination Service – Allen +Clarke); Barry Mattingly (ESR); and Jacqui Ritchie (ESR).
