

All stakeholders

On-site Wastewater Management Systems (OWMS) workshop

Monday 3 May 2021
9:30am – 4:30pm
Coachman Hotel
Palmerston North

Brought to you by:

Small Wastewater and Natural Systems - Special Interest Group (SWANS-SIG)

and

NZ Land Treatment Collective (NZLTC)

Purpose: For stakeholders to identify core OWMS issues in New Zealand
(i.e what's working and what isn't)

Outcomes:

- 1) Document outlining the OWMS issues as identified by each sector
- 2) Create a network of key stakeholders to be involved in future discussions
- 3) Set the agenda for a second workshop in the future to help address some of the issues

Format: Specialists from each industry sector have been invited to make 15 min presentations focused on core OWMS issues followed by 10 mins Q and A.

For more information please contact:

Joint SWANS-SIG Chairs
