We're excited to announce the Inaugural '**CIWEM Aotearoa Environmental photographer of the year 2020**'

Anyone can enter (you don't have to be a CIWEM member). **Entry is free** and open any time between September 1st and **October 18th 2020**.

The competition will be judged by an independent panel and winners will be announced via a live webinar on **3rd November 2020**.

The competition is for fun. This is a great way to share your different perspectives of Aotearoa, so please only include photos taken in NZ. Please don't feel you can only submit photographs if taken on a fancy camera. Winners will be judged on the story, imagination, and unique perspective of our environment rather than purely on technical expertise.

Aotearoa is in an interesting time. We live in a beautiful country with spectacular scenery. This environment is facing significant challenges which many of us are trying to protect and improve. We know lots of us have appreciated our local environment in different ways in 2020, often with your whanau and pets. Let's share our photos to help educate and inspire each other. There's also a young photographer competition, so please encourage those under 18 to enter.

Winners will be awarded in the following categories: -

- **Young environmental photographer of the year** [Under 18]
- **Your environment** [this is your chance to share your favourite piece of NZ - whether your backyard, nearby reserve or favourite national park]
- **Pets and animals in the environment** [hopefully self-explanatory!]
- **The future of our environment** [eg. photos of kaitiakitanga, innovation and new infrastructure]

And from all the submissions the judges will choose a favourite photo. This will be awarded the title **CIWEM Aotearoa Environmental photographer of the Year 2020**

Please submit a maximum of 2 photographs per category.

Entries are open via Instagram and twitter. If you would rather not enter via social media then you can email your photos. Instructions for how to submit below.

### Email instructions

Please email [newzealand@ciwem.org](mailto:newzealand@ciwem.org).

Please minimise your photos to low resolution.

Please include a description of your photograph and where it was taken.

Please submit a maximum of 2 photographs per category.
