**WELLINGTON EVENTS**

**15-16 NOVEMBER**

## Contract Management

For those within councils who are involved with contracts and procurement. This workshop covers how to negotiate, monitor and manage effective contracts with suppliers.

*Facilitated by Frank Aldridge*

---

**26 NOVEMBER**

## Integrated Strategic Planning Forum

An event for those who are interested in the different approaches to integrating land use, transport and corporate planning for growth and for non-growth local authorities.

---

**27 NOVEMBER**

## Council Collaboration and Partnering Forum

This event is for those interested in leading practices in collaboration between councils, between councils and central government, and councils and those outside government spheres.
