

# 6 THINGS WATER PROFESSIONALS CAN DO DURING ISOLATION

- Catch up on the latest issue of our **Water Journal**.
- Use this time to upskill, **WIPA** has online courses available.
- Games night with **Pipes & Ladders**.
- Get crafty with the kids & create a mini **Water Cycle Model**.
- Blast the Tunes! Listen to the top **songs about water**.
- Enjoy a home workout. Create weights by filling up a bottle.
