Pulse Survey

Preliminary results: 14 March 2024

Background

- Water New Zealand and ACE NZ have teamed up on a survey to understand the challenges and opportunities facing our members.
- The purpose was to gather accurate information and insights from across Aotearoa New Zealand about business confidence, workforce capacity, the status of projects and future contracts, and actions that could be taken to support the sector.
- The survey opened on the 23rd February and closed on the 11th March.
- There were 92 respondents.
